Hon. Commissioner of Patents
Washington, D.C. 20231

**PETITION UNDER 37 CFR § 1.181(a)
TO WITHDRAW HOLDING OF ABANDONMENT**

SIR:

Per Notice of Abandonment dated August 4, 2006, the above-identified application is held abandoned for failure to timely respond to the Notice of Missing Requirements dated August 31, 2005. The present petition is being filed within two (2) months of said Notice of Abandonment.

The holding is in error as a response to the Notice of Missing Requirements was filed with the Office on September 28, 2005. Copies of the papers as filed, including the Declaration, and the facsimile confirmation sheet, are enclosed. We confirm that the

undersigned's Deposit Account was not charged for the late filing of the declaration.

Applicants respectfully request that the Commissioner exercise his authority and withdraw the holding of abandonment, acknowledge that a response to the Notice to File Missing Requirements has been filed, and accordingly proceed to issue the filing receipt.

A fee for filing of the declaration is believed to be due. The Commissioner is hereby authorized to charge the late declaration fee and any other fees deemed to be due to Deposit Account No. 14-1263.

No fee is believed to be due for consideration of this petition. However, should the Commissioner determine that a fee is, in fact, due, he is hereby authorized to charge the fee deemed to be due to Deposit Account No. 14-1263.

CONDITIONAL PETITION TO REVIVE

If the above request for withdrawal of abandonment is denied, then the undersigned hereby files a petition to revive under 37 CFR 1.155(c) and 1.1316(c).

The entire delay in filing the required reply from the due date of the required reply until the filing of a grantable petition was unintentional.

If the petition to withdraw the holding of abandonment is not granted, and the conditional petition is necessary, please charge the required petition fee to deposit account no. 14-1263.

Although applicant has already filed a Response to the Notice to File Missing Requirements, this document is again submitted and this present response is to be considered as the Response to Notice of Missing Requirements. The \$65 fee was not charged as set forth above and the Commissioner is hereby authorized to charge all fees

due to the above deposit account.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punished by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

Early and favorable action is earnestly solicited.

Respectfully submitted,

NORRIS MCLAUGHLIN & MARCUS
